

Hanseatic Tankers, a newly established product/chemical tanker joint venture will be commercially operating sister vessels, controlled by the following pool members:

- Algoma Central Corporation
- Bernhard Schulte Group
- IMS Capital Partners LLC
- Intrepid Shipping LLC
- Sloman Neptun Schiffahrts-Aktiengesellschaft

The commercial management of Hanseatic Tankers will be fully undertaken by Bernhard Schulte (Hellas) SPLLC who will be handling all chartering, post fixing and vetting matters on behalf of the pool.
